

Directions from Lisbon Airport

The distance between Lisbon Airport and Quinta da Vida Serena is 100 kilometres, approximately an hour's drive.

ATTENTION: Never take a toll gate signed with a green-white coloured 'V'. This is a toll gate for cars equipped with a special device for the toll road. Here you can not draw a toll road ticket.

Leave the parking lot for rental cars and follow the direction called "Centro".

Soon you will see a roundabout. Follow the roundabout, direction A1 (MIND THE TRAFFIC LIGHTS).

- Head for the A1/A12 highways.
- Then take the A8 'Oeste' going to Leiria, Loures.
- Attention: you will need to filter in left pretty quick. After a while this highway continues as a toll road. Take one of the left toll gates, but not the one on the left end.
- After you passed the toll gates the road splits up in two directions. Keep to the left.

- Good to know if your rental car is low on gas: there is a petrol station 6 kilometres after the toll entrances.

- Stay on the A8 until you reach the exit for Sao Martinho do Porto/Alfeizerão.
- Take this exit.
- Then take the roundabout and then take the direction to Alcobaça. Stay on this road until you see a big yellow building on your left (Hotel 'Tres Torres'), then take the first exit on your right, to Macalhona.
- Follow this road until you see an intersection. Here you keep left (name of the street: "Rua Principal").
- Follow this road until the next intersection. Here you take a right.
- The first house on your left (painted in white and yellow colours) is Quinta da Vida Serena.
